INFLUENCER · PHOTOGRAPHER · FILMMAKER · MODEL · CONTENT CREATOR

German-Peruvian, raised in Barcelona. Built across 40 countries, and still moving.

Lis Kanzler is a lifestyle & travel influencer, photographer, drone filmmaker, and model with 12 years of nomadic living as her creative foundation. She creates travel, lifestyle, and branded content with a rare versatility — equally at home behind the lens and in front of it, across five languages and five continents.

Her audience doesn't just follow her. They trust her. And that trust is exactly what she brings to every partnership.
